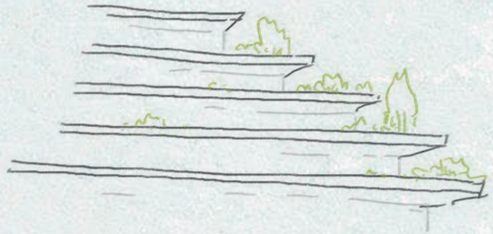
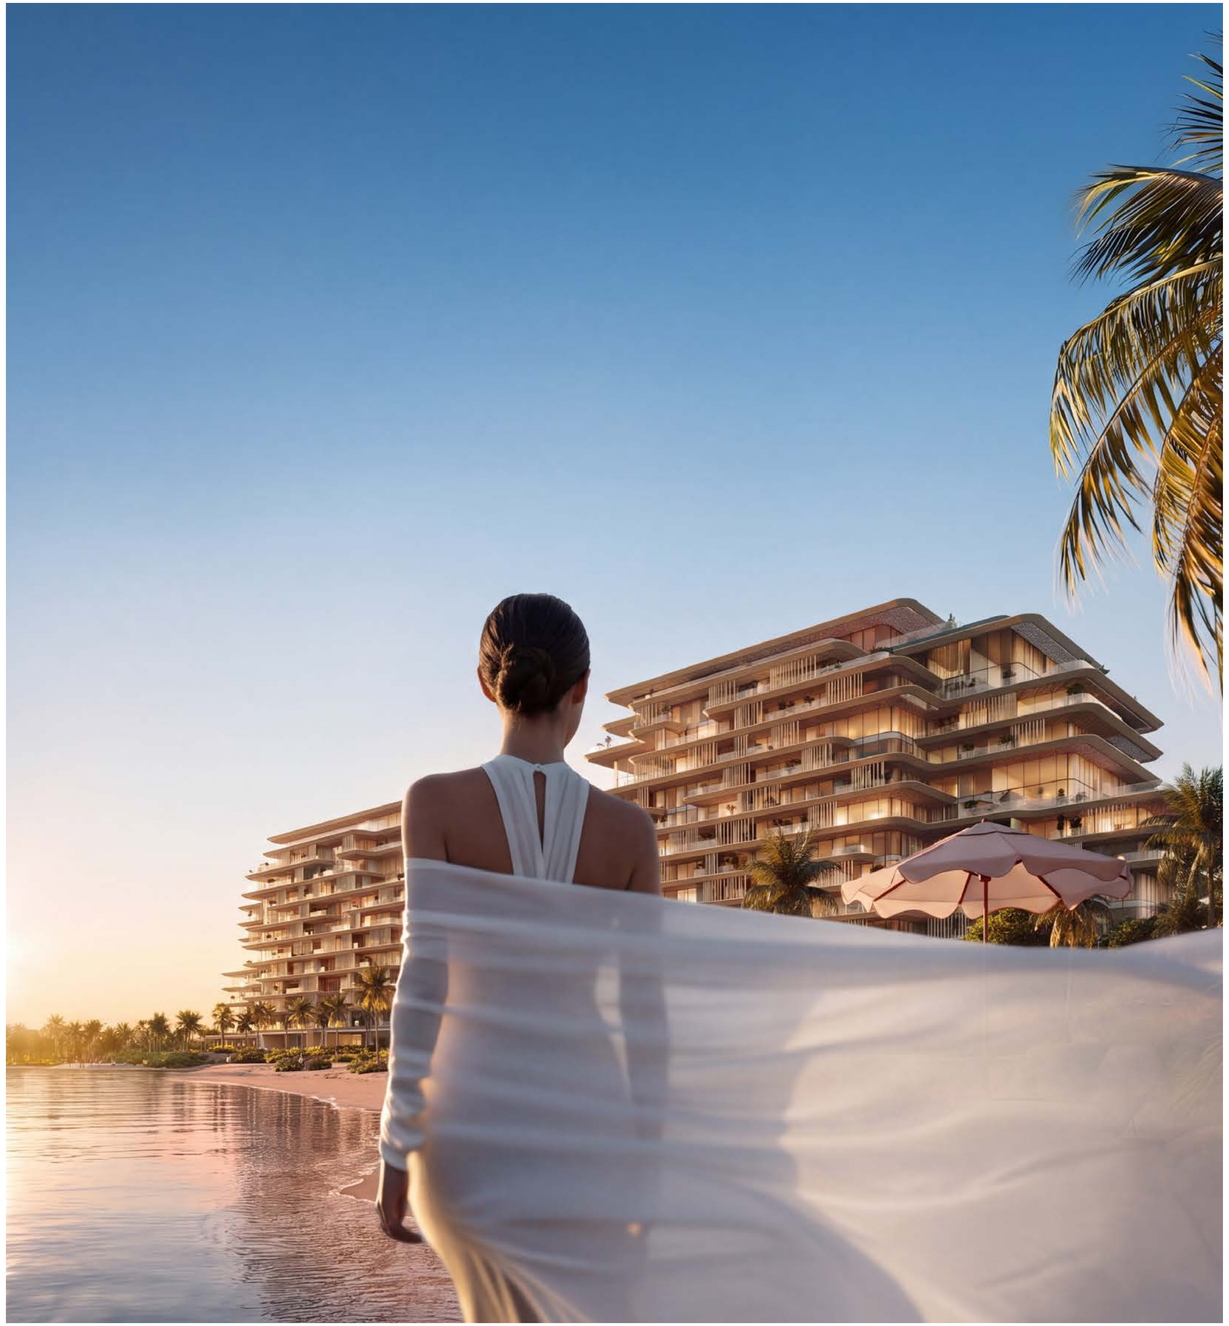
Every project begins as a vision traced in light and form.



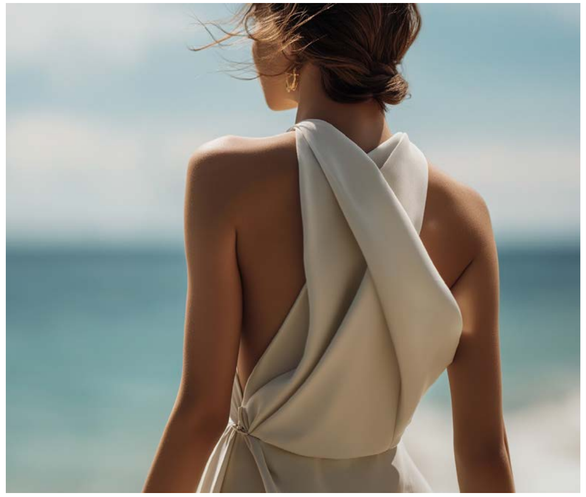
The architecture unfolds in ascending lines that mirror each other in two complementary structures, where light flows through and shapes spaces with new depth and perspective.



CHAPTER 01

RITUAL *of* Serenity

To live surrounded by the sea
is pure inspiration.

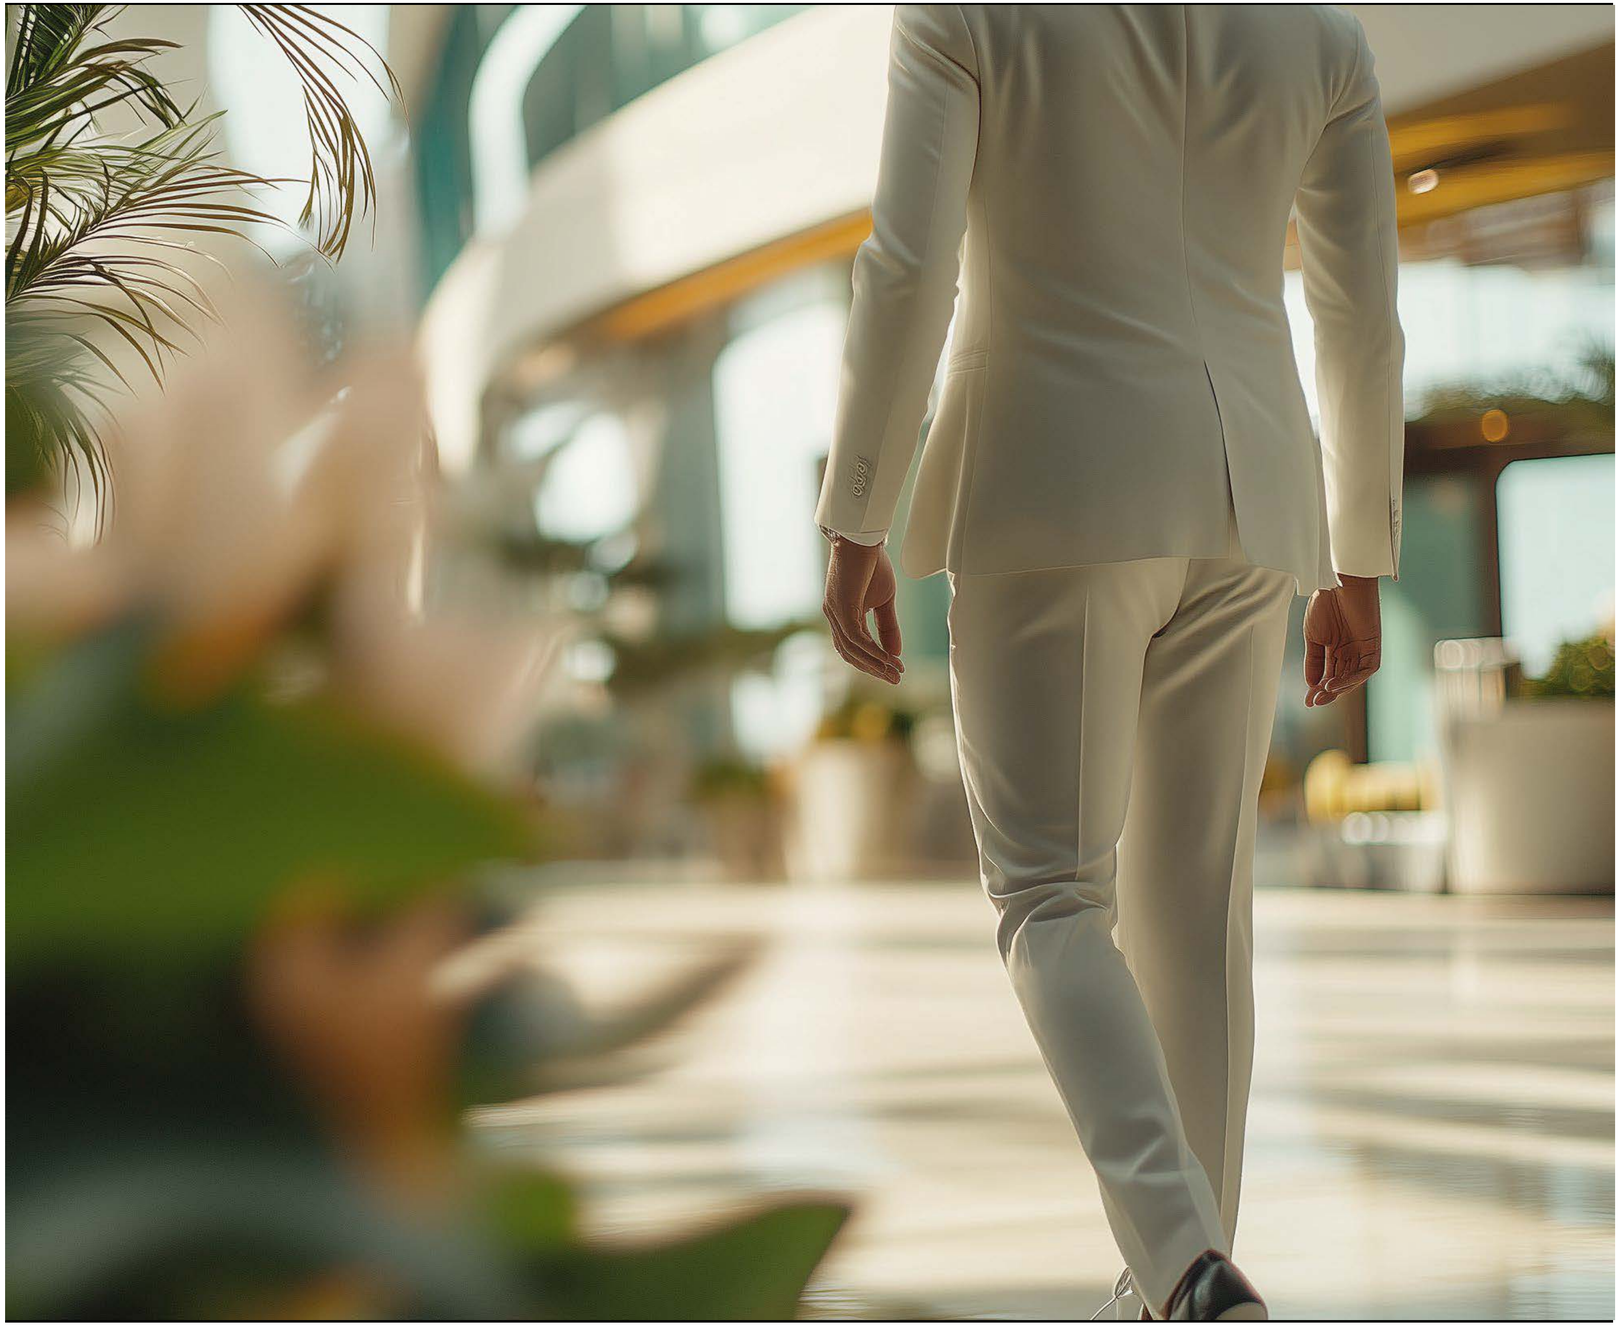


RITUAL *of* Serenity

In the first light of day, the shoreline becomes a path of quiet clarity. Each step on the sand reveals faint traces of the night and the gentle pulse of the tide. Walking here is more than movement — it is a way to attune yourself to the coast, to let the sound of the sea guide your thoughts. The beach offers a calm transition into the day, a subtle ritual that restores presence and ease.

Dubai, a city of energy and movement, where every view tells a story of evolution.

Life here is defined by connection,
to land, to culture, to tomorrow.



By the Waterfront

Life moves with a lighter rhythm.

Dubai Islands is an emerging waterfront destination, bringing together pristine beaches, landscaped open spaces, leisure attractions and a growing collection of hospitality and residential developments.

Within this coastal setting, The St. Regis Residences at Dubai Islands introduces a distinctive residential experience, combining the elegance and renowned hospitality of St. Regis with the natural beauty of island living, while remaining connected to the heart of Dubai.

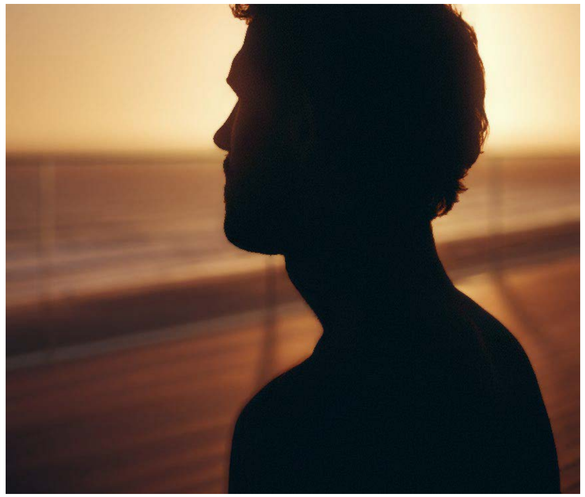
CHAPTER 02

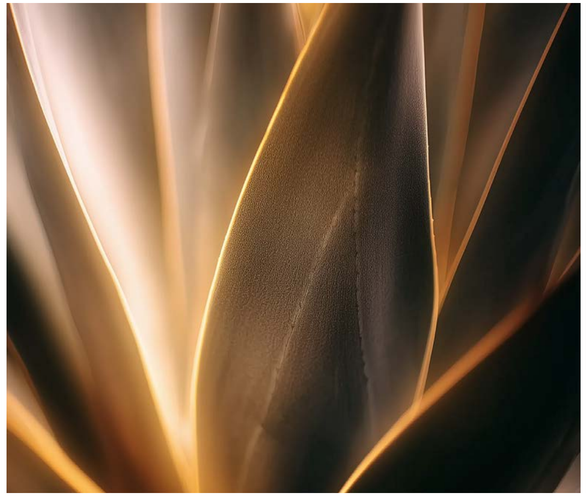
RITUAL

of

Belonging

Protection within an
architecture that embraces.





RITUAL *of* Belonging

'To Live Exquisite' defines the spirit of St. Regis, a legacy built on timeless elegance, exceptional service, and unforgettable experiences. At The St. Regis Residences at Dubai Islands, this heritage meets contemporary architecture.

As sunlight moves across the façade, patterns of light and shadow reveal the building's architectural details, creating an ever-changing experience throughout the day.

A Composed Duality

Two architectural forms,
one distinctive waterfront address.

Two complementary buildings rise along the waterfront, their stepped silhouettes creating a distinctive architectural presence against the Dubai Islands coastline.

Expansive terraces extend across each level, opening the residences to natural light and uninterrupted perspectives of the surrounding sea.

Through a considered interplay of glass, materials and proportions, the architecture brings together contemporary design and the character of its coastal setting.

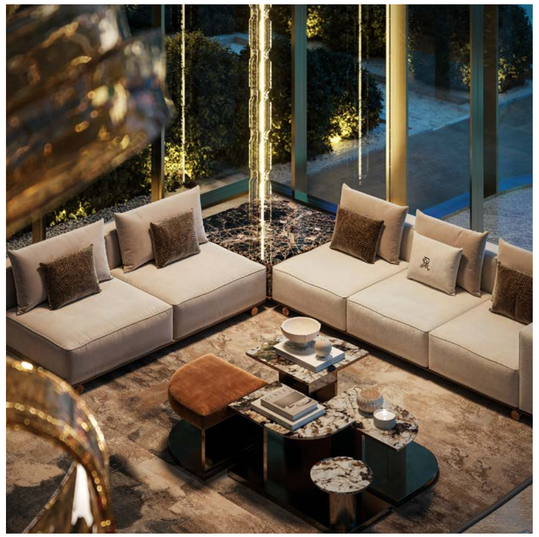
A Sense of Arrival

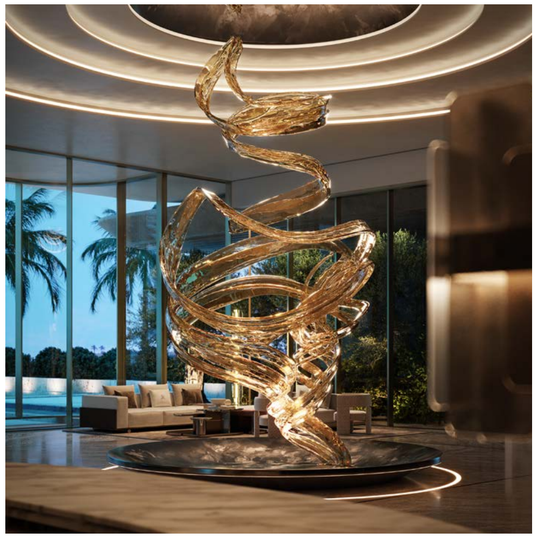
A first impression shaped by considered details.

The experience begins at an entrance designed to reflect the character of The St. Regis Residences at Dubai Islands.

Refined architectural details and carefully selected materials create a welcoming first impression, setting the tone for the spaces within.

An arrival that brings together contemporary design and the understated elegance associated with St. Regis.





A Distinctive Welcome

An impressive arrival, defined by design and detail.

At the heart of the lobby, a striking sculptural installation takes centre stage, framed by sweeping ceiling details and a rich palette of marble, warm textures and refined finishes.

Expansive glazing opens the space to views of the landscaped surroundings and waterfront, while thoughtfully arranged lounges create an inviting setting.

Every element comes together to make the lobby a distinctive expression of contemporary luxury.

RITUAL

of

Harmony

Interiors in perfect balance
between light and silence.

RITUAL *of* Harmony

Within The St. Regis Residences at Dubai Islands, each home is a considered expression of contemporary elegance. Refined materials, warm textures and carefully composed spaces create interiors that feel both sophisticated and inviting.

Natural light moves through the residences, highlighting the details and finishes that define each space, while the surrounding waterfront provides a distinctive backdrop to life at home.

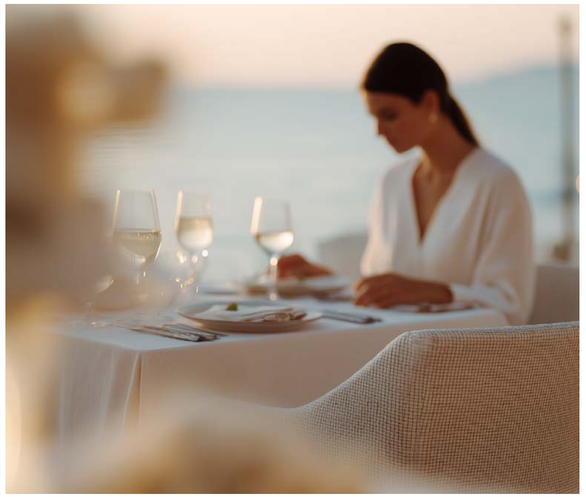
CHAPTER 04

RITUAL

of

Gathering

When living together becomes
an expression of grace.

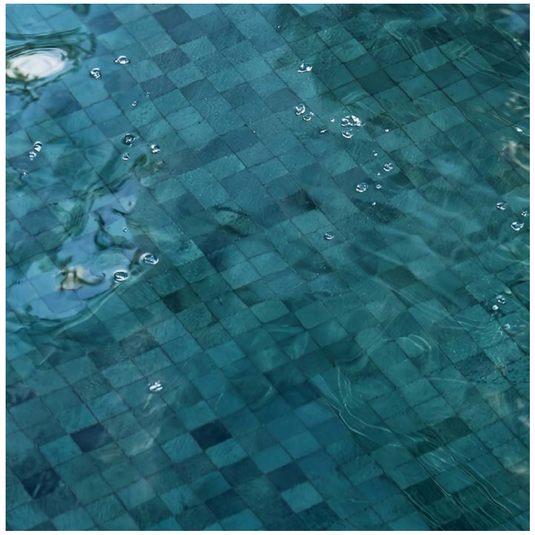


RITUAL *of* Gathering

At The St. Regis Residences at Dubai Islands, a thoughtfully curated collection of amenities brings together beachfront leisure, wellness, recreation and spaces for gathering.

From landscaped gardens and swimming pools overlooking the sea to private lounges, fitness facilities and family-friendly spaces, every amenity is designed to enrich the residential experience, offering something for every occasion.

ST REGIS



Life by the Water

An exceptional setting for beachfront leisure.

A collection of swimming pools, sun terraces and landscaped gardens creates an inviting outdoor environment, with the beach and open sea just beyond.

Dedicated pools for adults and children offer spaces for relaxation and family time, while shaded lounges, sunken seating areas and beach cabanas provide inviting places to unwind throughout the day.

Beyond the pools, landscaped pathways connect outdoor gathering areas, children's play spaces and an entertainment terrace, bringing together leisure, recreation and the natural beauty of the waterfront.

A Sanctuary for Wellbeing

Dedicated spaces for movement, restoration and renewal.

The Spa offers a tranquil setting for rest and rejuvenation, with a sauna and dedicated treatment rooms designed for relaxation and personal wellbeing.

The fully equipped gym caters to a range of training and fitness routines, while the fitness centre offers a dedicated space for yoga, stretching and mindful movement.

Together, these thoughtfully designed spaces bring wellness into everyday life, offering residents a place to recharge, stay active and unwind.

Where Each Day Finds its Shape

The amenities offer countless ways to shape the day. Lounges and the library provide quiet areas for reading or conversation, while the pool bar and exhibition kitchen introduce a more social dimension, where hospitality and culinary experiences take on a sense of theatre.

The business centre and meeting rooms support daily routines with discretion and efficiency, while the pet salon offers a thoughtful touch of care for your pets. Together, these spaces shape a way of living that feels personal, varied and entirely your own.

The Lighter Side of Living

Moments shaped for joy, relax and discovery.

Recreational areas bring a lighter dimension to daily life, creating opportunities for play, leisure and shared experiences. The Games & Billiard Room introduces a lively note, while the Kid's Club encourages exploration. The Media Room provides a more intimate setting for gathering, and the Golf Simulator brings playful precision indoors. Across these amenities, free time becomes varied, engaging and naturally enjoyable.

CHAPTER 05

RITUAL *of* Care

Services that speak the language of attention.

RITUAL *of* Care

Kindness becomes an act of care for those who live these spaces: a presence that does not intrude, but supports with intention, recognising needs and anticipating them with ease. What welcomes you, morning and evening, is a smile — a gentle note of attention from those who look after every detail. This small sign sets the tone of the day, a silent ritual that makes you feel seen and genuinely received.

A Quiet Art of Service

Support that feels natural, present, and effortless.

Services are tailored to enhance daily life with quiet precision, beginning with a complete range of Essential Services available to every resident. From everyday assistance to reservations, deliveries, mobility and residential support, each need is met with attentiveness and consistency. A discreet presence anticipates what may be required, creating a sense of continuity throughout the day and turning practical support into an experience that feels personal, intuitive and unmistakably St. Regis.
