A clear perspective.

The Vault's glazed façade and distinctive form establish its striking visual presence.

FOR THE VISIONARIES

An organisation's HQ isn't governed by scale. Successful spaces are designed around fundamental principles. Light. Layout. Usability. Floors of inspired space generate the energy to perform.

RECEPTION

Work has a new point of view.

Floor-to-ceiling glazing brings natural daylight into the office spaces.

THE OTHER SIDE OF BUSINESS

Work is only part of the day. The Vault's amenities allow space for conversation, relaxation and a little time to yourself.

CONNECTED TO POSSIBILITY

The Vault's location in Majan provides access to Dubai's wider road network, connecting the development with neighbouring communities, leisure destinations and commercial districts.
